SUMMER CAMP

Dear Readers,
Can't get away for the summer?
Rethink your outlook! After all,
isn't it more fun having "cabin
duty" than cleaning the house?
This summer, improve your
swimming, have a "movie night",
watch birds and the stars in your
backyard or get tips on getting a
good night's sleep. Whatever your
plans you can create a happy
"camping" experience at home.
Enjoy your summer!
