In the interest of health and safety currently all volunteer activities will be performed remotely. There are limited opportunities available. Volunteer descriptions are attached.

**All volunteers must submit a brief personal statement detailing why you are interested in volunteering and which department(s) you are interested in along with the completed application. You can volunteer in more than one department.**

**Applications and Personal Statements can be emailed to [slateen@stratfordlibrary.org](mailto:slateen@stratfordlibrary.org), mailed to Stratford Library/Teen Department, 2203 Main Street, Stratford, CT 06615 or you can place your application in an envelope Attention Teen Dept. in the library book drop.**

Teen volunteers learn responsibility and valuable job skills. Library service hours can count for community service requirements for school, church, or civic groups upon request. There are a limited number of teen volunteer slots available.

### **Children's Department Summer Programs**

Teens entering grades 8 to freshman year of college may apply to assist with Children's Department summer programs. Teens must be self-motivated, responsible, and should enjoy working with children. Registration and orientation are required.

### **Teen Services Department**

Teens entering grades 8 to freshman year of college may apply to volunteer in the Teen and Circulation Departments throughout the year. Teens work independently and in teams helping with a variety tasks. Teens must be self-motivated, responsible, and detail-oriented. This volunteer opportunity is perfect for teens seeking workplace experience before their first job. Registration and orientation are required.

### **uCreate Space**

Teens entering grades 9 through freshman year of college may apply to volunteer in the uCreate Space throughout the year. Teens will work both independently and in a team environment. Teens must have an interest in emerging technologies, be self-motivated, and responsible. Registration and orientation are required.
