Earn monthly prizes  
JUNE 21 - AUGUST 14

# 2021 Read-to-Me

Name: \_\_\_\_\_

## A Note to Parents and Caregivers:

Your child can do any of the activities listed in any combination. For example, your child could listen to 20 books. Or your child could listen to 10 books, learn 5 nursery rhymes, act out a story with puppets, and add 4 words to a word box. Both ways add up to 20 activities. When your child attends a storytime online or in person, you can count every book shared, song, and finger play! If your child completes this Activity Log, we can give you another one.

Your child does not have to do every activity listed, but can if they want. You are not required to write down the names of the books you have read. You or your child can color or mark a box for every activity completed. Please follow the numerical order of the boxes.

You can also record your child's progress online by registering at <https://stratford.bookpoints.org/>

Starting June 21, children can receive a monthly prize for June, July, and August if they complete one or more activities. Just bring this Activity Log to the Stratford Library Children's Department, or ask us to check your child's online record.

Please visit our website at [www.stratfordlibrary.org](http://www.stratfordlibrary.org) to look up events and register online for programs that are appropriate for your child. Registration for programs starts 2 weeks prior to the event.

Read-to-Me participants who complete 20 activities or more activities by August 15 will be invited to the end-of-summer celebration. Details are forthcoming.
